BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

SKIN: A delicious surface of sensational lusciousness, happiness, an excuse for attraction, and the superficial punching pad of most of our traumas...

...just like art, one of the highest inspirations of our everyday lives...for those who find how to look...

'Knolls'

The temperature may be labeled as delicious or dangerous, the personal experience behind it will help write the meaning of the label, the more we explore the limits, the more we may enjoy our vehicle...

'Sand Dune #1'

Always evolving, climbing and learning the infinite range of experiences that our skin facilitates...from exquisite feelings of sensual interactions, to the infinite contrasts of the physical pain or punishment...

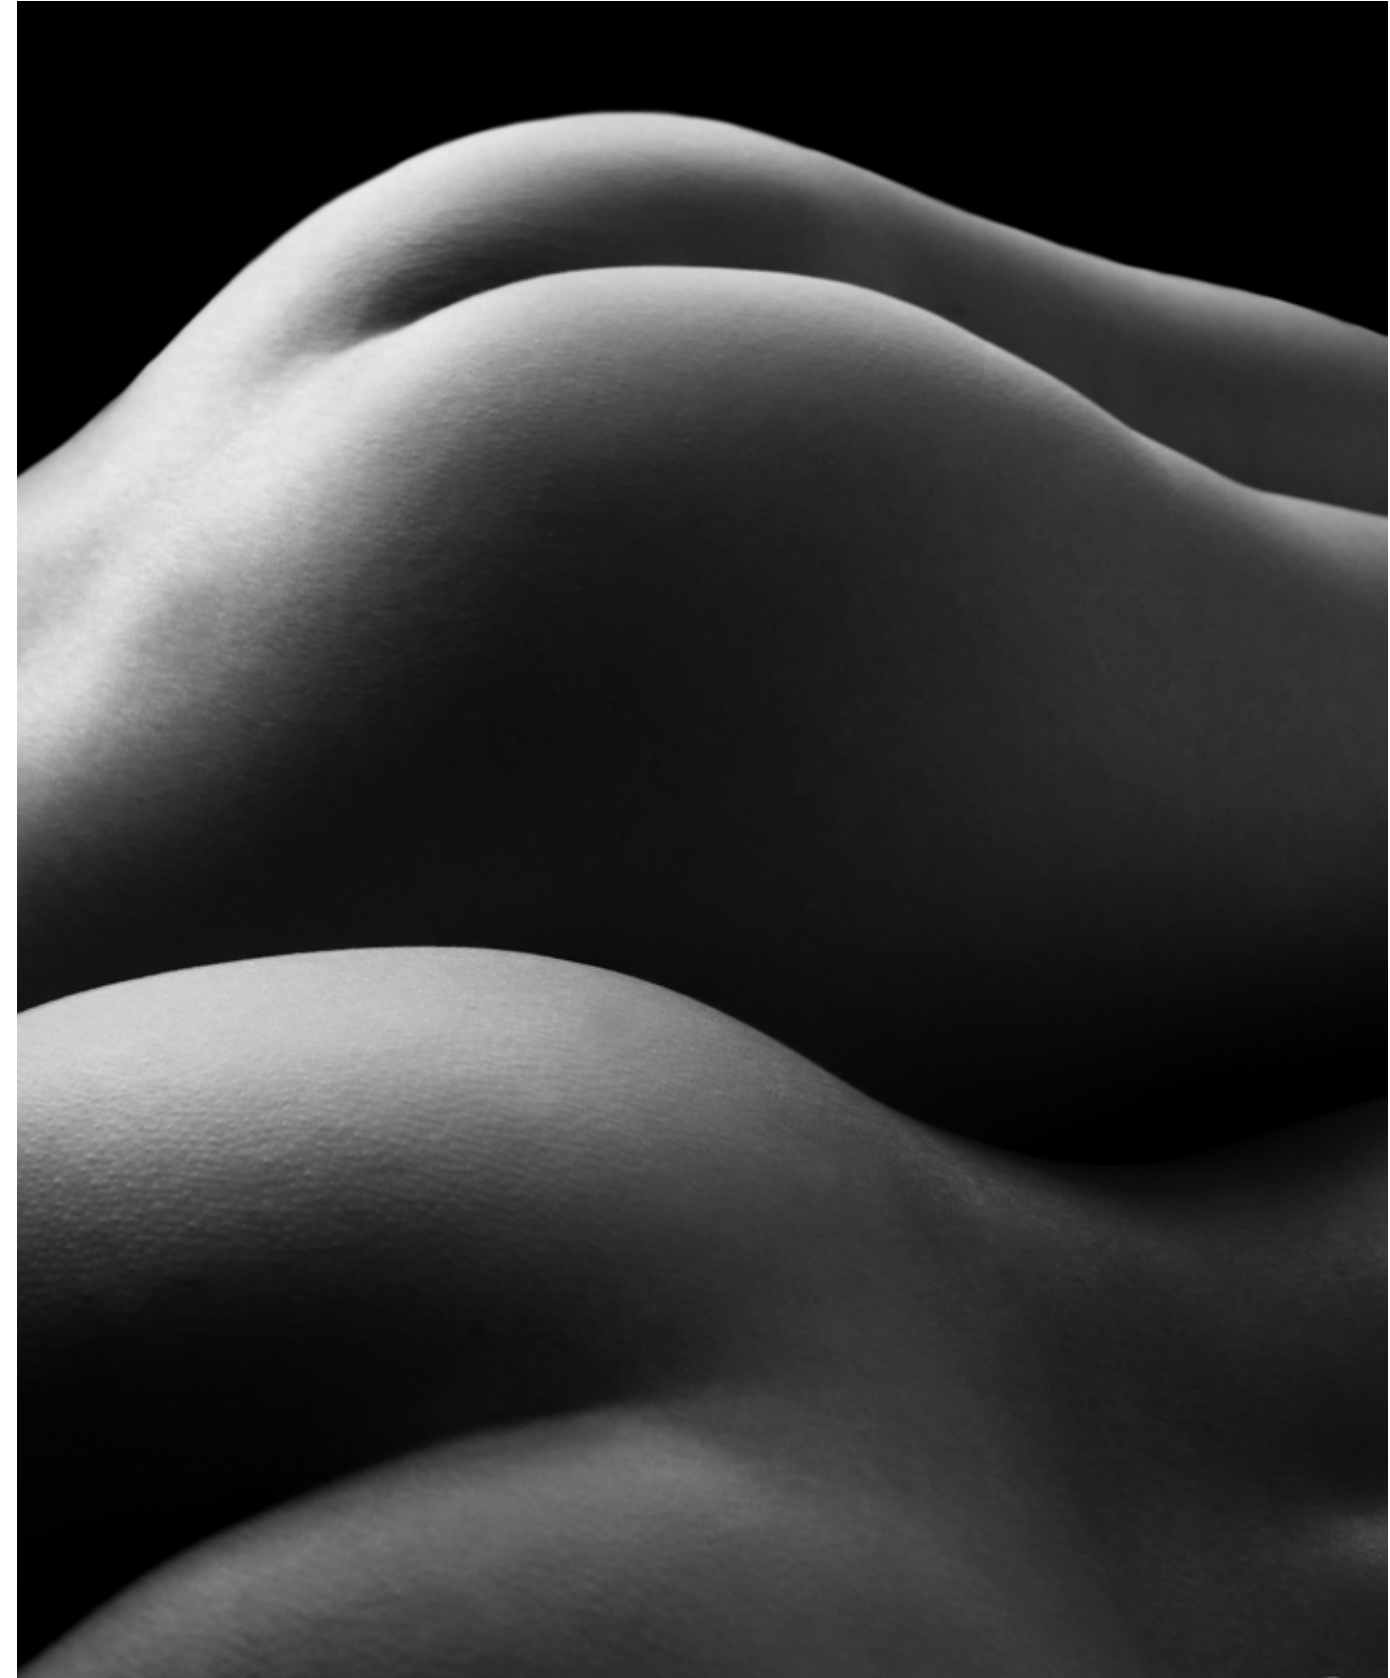

'Ridges'

BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

In one way or the other, and by tuning into individual frequencies, we arrived programmed to look for the living pleasure, and also the experiences that pain provides...

...some are afraid of looking at it, or even accepting it, but it is all about trying to enjoy it; which you should, so you may move on and fly away from pain...

'Four Hills'

Skin is only superficial, yet deeply rooted,
confusing some times, regardless of its looks
it never makes us or define us since skin is
only superficial...

'River Bed'

BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

Skin is the most basic form of interaction with the physical world, the joy of sensing textures, from smooth and soft ceramics to dry sidewalk cement...

...we design our experiences based on the interaction and interpretation of our exchange with everything that we embed with meaning...

'Dunes #3'

'Rolling Hills'

BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

Let it not deteriorate, cream it and oil it for
wellness, for pleasure or to bring healing...

...enjoy a delicious slide, long massage stroke,
or simply for fun...

'Slopes'

Allow me to feel more, as much as I can, but also feel less where I don't, so the elastics of my underwear and socks don't distract me from the rest of my attention and touch...

'Valleys'

'Peaks & Hills'

Pierce it for extra pleasure, and always carry your scars with pride, weather they are old tracks of surgery, fallen skateboards or pain pals & their protruding bones, they all map your personal relationship with contrast and pain...

BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

It has a layer for unique decoration, where painting, drawing and memories last for a lifetime...don't get a tattoo, yes I want more than one, am I getting too many? It is only yours to decide...

'Slopes #2'

Skin art allows the driver to righteously filter enlightenment and all the information that arrives every day, that is, eternally and essentially always the same present...

'Vertical Ascent'

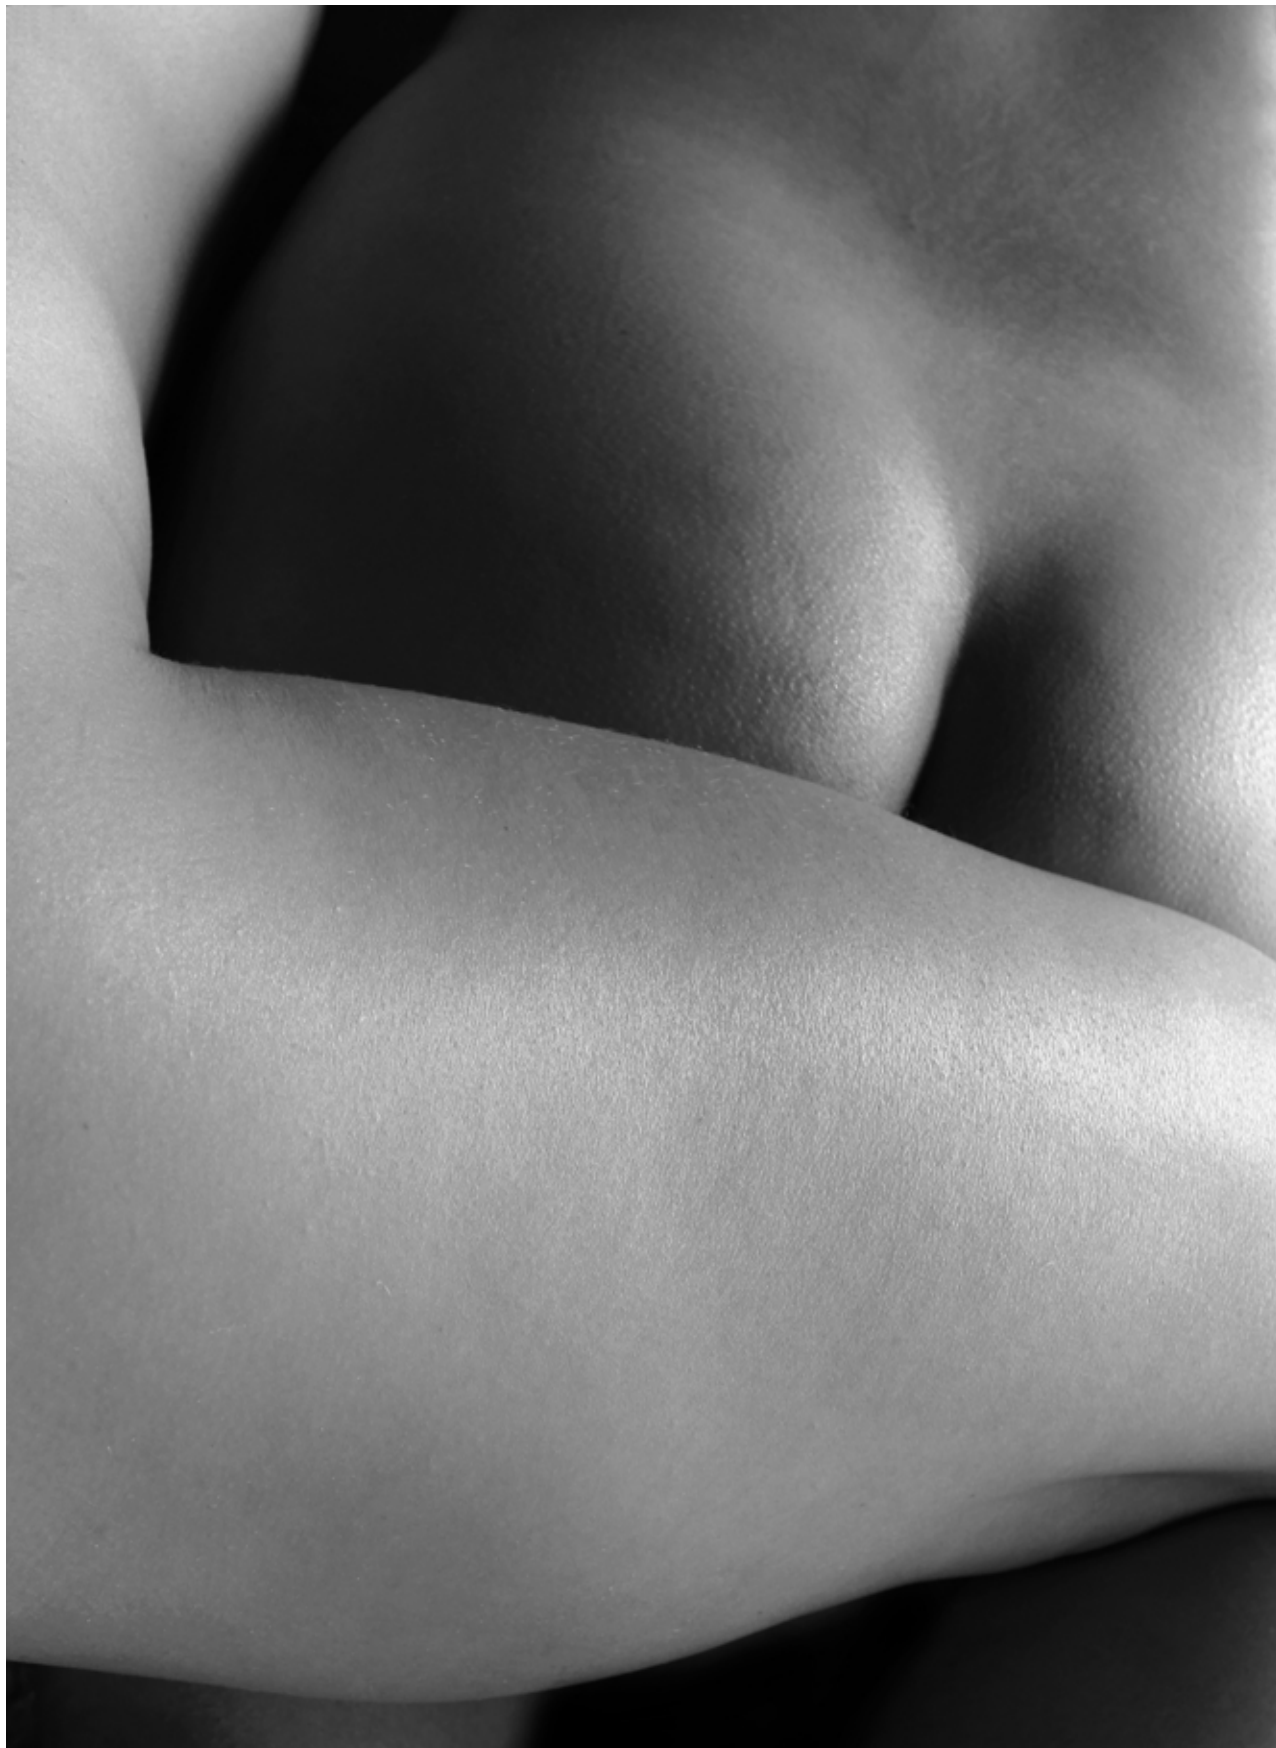

BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

Absorbing Vaseline or lead is only superficial, unless the driver orders a more lasting intoxicating experience to enjoy a momentary distorted perception of the eternal present...

'Dunes #4'

Its own unrepeatably delicious smell, you don't like or appreciate anyone else's better than yours, and sometimes you can't believe how bad some can get...

...if you can procreate, both skins are an opposite chemical match, through the eye of love, everyone deserves to be smelled, healed and pampered when needed...

'Crossing Lines'

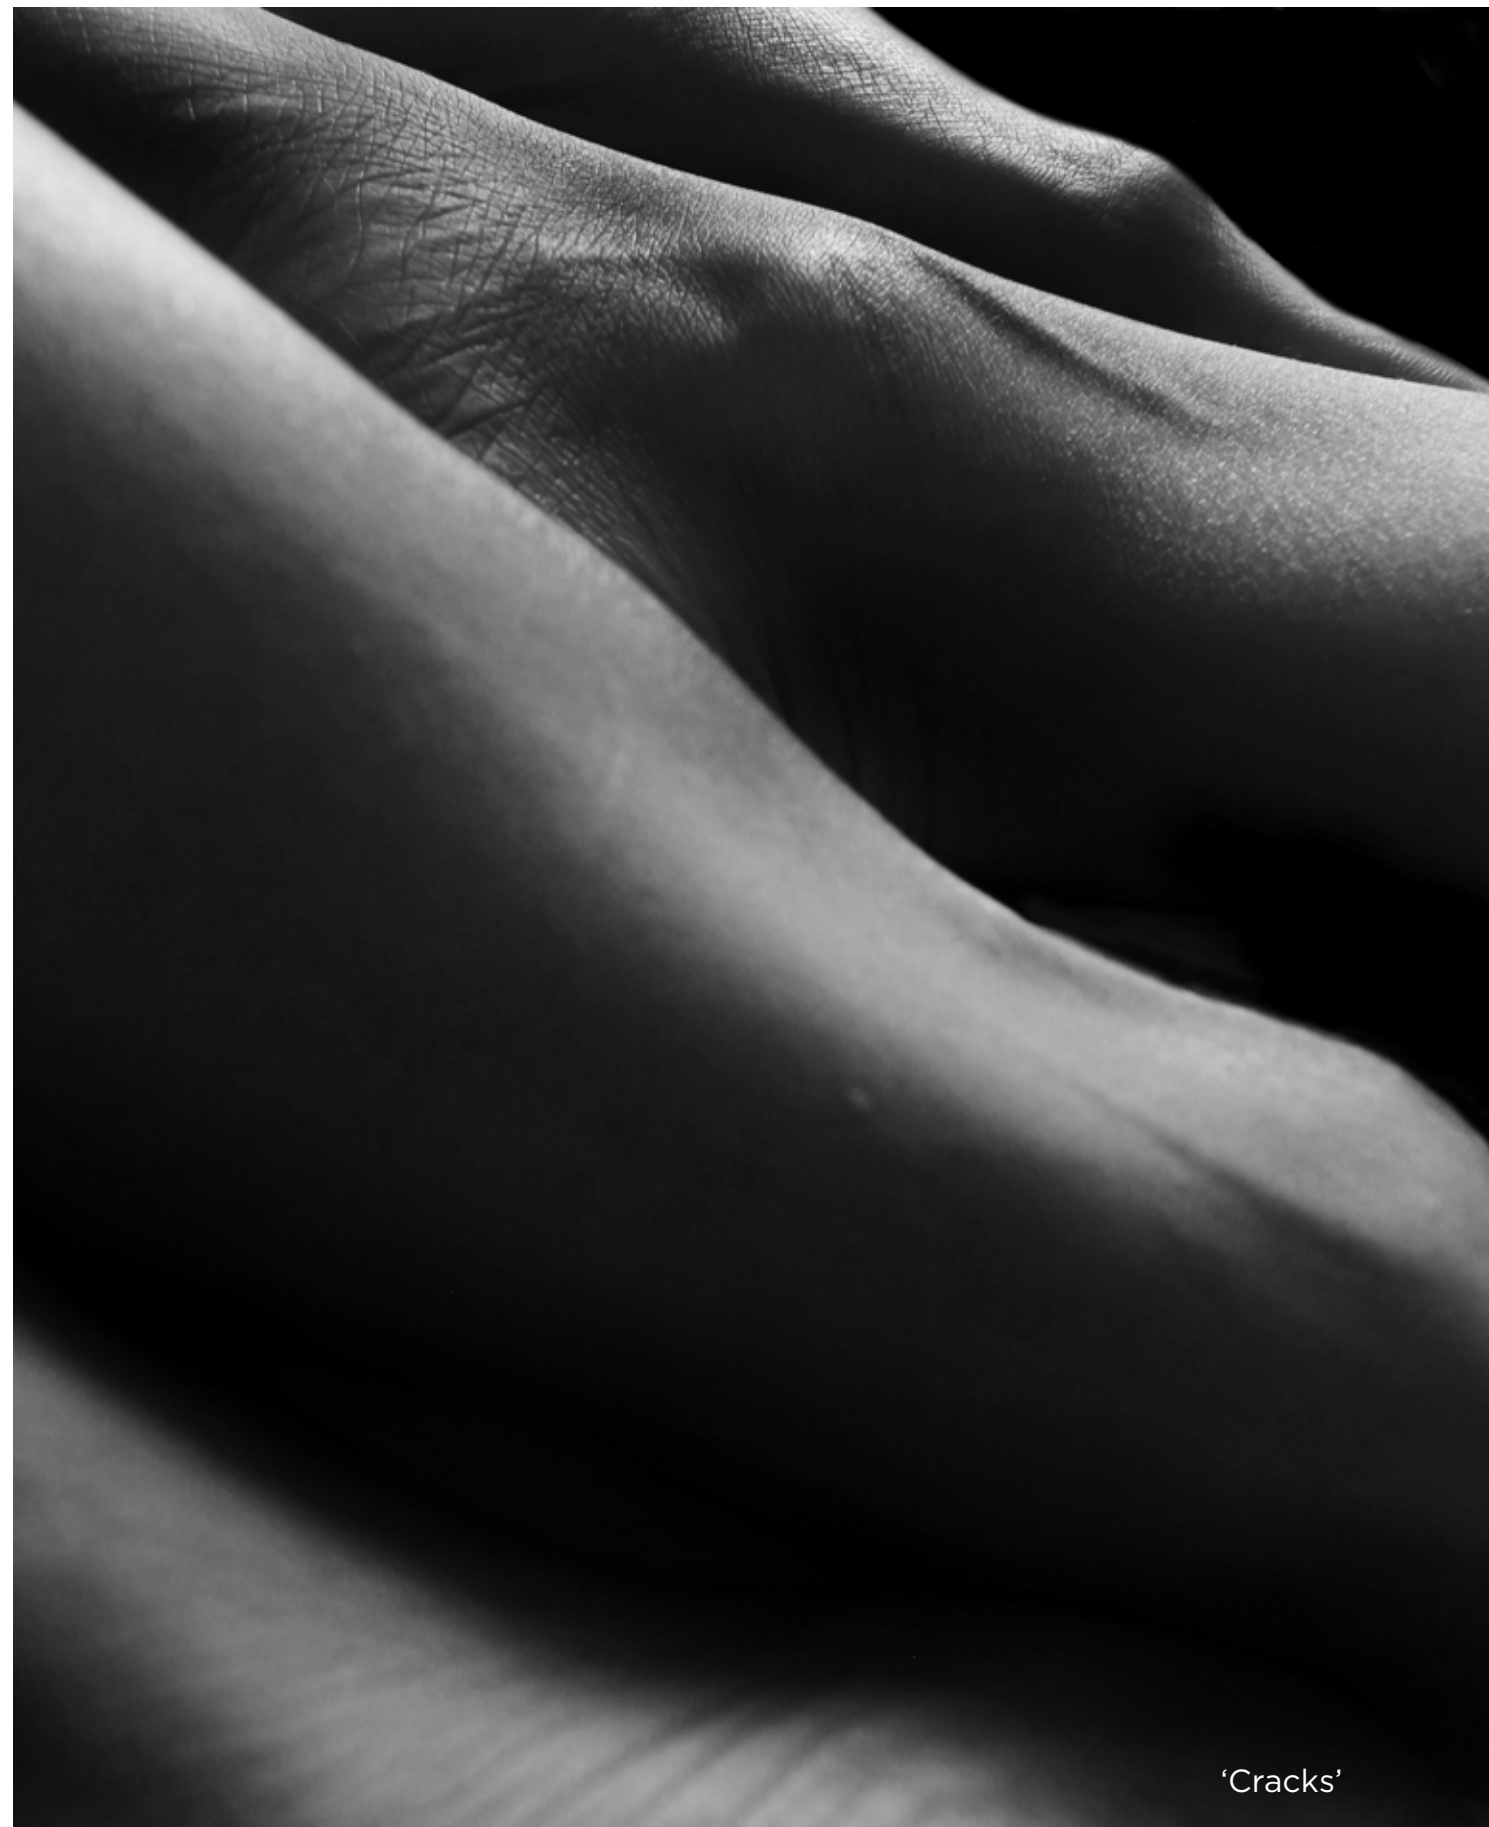

BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

Scratch it repeatedly and you'll find a glimpse
of the true value and one of the meanings of a
sense of eternity...

'Crevaces'

Such a delicious yet contrasting odor maker surface, from the high you get from your lover or a baby, to the disintegration of decency when rotten...

...always there, for both ends, there will always be a curious match looking for it...

'Cracks'

Skin loves nails, soft touch, or healing scrub, all the way to red, memorable, semi-circular marks, to burning mosquito bite, skin loves nails...

'Cave #2'

BODYSCAPES

LIMITED EDITION PHOTOGRAPHY BOOK
by ALFONSO CORONA

Rub it to connect or to reject, caress it to intimate or intimidate, always stay away from feelings of unilateral interest, always understand the purpose and value of bilateral synchronicity...

'Ridges #2'

The Sun makes the skin happy, also stressed and even soared at times but never sad, the energy absorbed is always an appreciated kiss of Light that skin enjoys much...

'Cave #1'

'Utah'

Soft areas, forbidden ones, rough patches,
exposed ones...we assign a personal meaning
to the real estate surrounding the frequency
of our individual awareness...

...we use it to love, to enhance shared feelings,
or to punish and reprimand anyone daring to
access it, without the required procedure...
